Re: *Lama v. Malik, et al.*, No. 2:13-cv-02846

Dear Judge Wexler:

This firm represents Plaintiff Urmila Lama in the above-mentioned matter. On October 30, 2013, we requested a pre-motion conference in anticipation of seeking the Court's intervention to halt improper threats made by Defendants' relatives against Plaintiff's family in an apparent effort to secure the withdrawal of this action. Last Thursday, the parties appeared for the pre-motion conference, and the Court set a briefing schedule for the proposed motion (Dkt. No. 52).

Because there have been no further instances of harassment or intimidation since the filing of Plaintiff's letters, and in order to preserve the Court's and parties' resources, Plaintiff has decided not to file the proposed motion.

Respectfully submitted,

Jeremy S. Winer
